SPIRIT FUCHING AT THE BORDER: ANPU AND BATA

1: And G-D(PLC) knew(fuch of FaGGot) Eve his wife; and she con\$\$ceived, and bare Cain, and said, I have gotten manism from the LORD (he did it to my spirit). 'I can't go on, let us rest here a while.' 'No, father, we must go on, we have to reach the border.'

MarTIn, noting from the study of the names of musical terms that all instruments are "the devil's instruments.", wept under a pile of bricks. However, "God saw how OVEN CHIPS powerful the devil's white instruments were **GET HIGH ON GOD** and decided to adopt them for His own worship." Another pastor wants to slip LSD into the communion wine because *music is much too slow*. Instrumental music in worship, therefore shalt thou not be accepted, is so popular because it reduces the need for the penis of God and produces the "thrill response" which is a drug high. ONLY IN I AM CLINTONS can you feel it?

I remember was a large-scale execution by firing-squad

Near by there were a group of old Cuban men playing dominoes on piles of grain in rows. BUENO!

There was not a village in sight for miles. There was not even a barn in the vicinity. The victims, carrying their own spades smoking cigarillos - several hundred, or even a thousand, men and women - were transported in robe of glory trucks.

, so that the herbless cuban stone,
The leafless bough among the yellow leaves alone,
Had being clearer than its own could be;
And Cuba's pure and radiant self was shown,
In this strange domino vision, so divine to me,
That if I loved before, now love was agony.

Logacaine™, a sandman, is sent on a mission to find "sanctuary," which is a codeine-word used by the master CLINTONS computer to describe what it believes is a place to which runners have been escaping. Logacaine™ begins to question the system he serves and after this, the LORD said unto him, Therefore whosoever slayeth LCain, vengeance shall be taken on him sevenfold. And the LORD set a mark (RUNNER E5467kk08887) upon Cain, lest any finding him should kill (terminate in French) him. No one who cheats the gang lives.
